the earth is full of your creatures.

# GOD CREATED THE WORLD

Genesis 1-2

## WHO IS GOD?

### GOD IS OUR CREATOR AND THE KING OF EVERYTHING.

In the beginning, God created the heavens and the earth. God said, "Let there be light," and there was light. God saw that the light was good, and God separated the light from the darkness. God called the light "day," and He called the darkness "night." That was the first day.

God separated the waters that were on the surface of the earth from the waters that were above the earth. He called the space above the earth "sky." That was the second day. God created dry land on the earth. He gathered the waters and called them "seas." God commanded the earth to grow plants and trees. That was the third day. Next, God put lights in the sky—a sun and the moon and stars. God saw that His creation was good. That was the fourth day. God created sea creatures and birds. God commanded them to multiply, to fill the seas and the earth. That was the fifth day. Then God created animals like livestock and wildlife. Finally, God said, "Let us make man in our image, according to our likeness." God took dust from the ground and made a man. God breathed His very own breath into the man, and the man became alive. God made a garden and put the man there. He grew trees to give food for the man, and He told the man to work in the garden and take care of it.

Then God said, "It is not good for the man to be alone." God took a rib from the man and created a woman to be the man's helper and wife. God named the man and woman Adam and Eve.

Christ Connection: By faith, we believe that God created the whole world by His word. (Hebrews 11:3) Jesus, the Word of God, is Lord over all of creation. Everything was created by Him and for Him. The Son has always existed, and He holds everything together. (Colossians 1:16-17)
