BUILDING THE TABERNACLE

Exodus 35-40

WHY DO WE NEED TO BE SAVED? PEOPLE ARE SINFUL AND CANNOT SAVE THEMSELVES.

God commanded Moses to build a tabernacle. It would be a place for God to dwell among His people. First, Moses invited the Israelites to give their money and their possessions so that the tabernacle could be built. The people were so generous that Moses had to tell them to stop giving!

Next, Moses requested for people with special skills to build, sculpt, weave, design, and decorate to come and help with the tabernacle and all its special furnishings. God's Spirit filled a man named Bezalel to lead the construction and design of the tabernacle. God also gave a man named Oholiab the ability to teach others how to design, weave, cut gems, and more.

Bezalel, Oholiab, and many other artists worked hard on the tabernacle. They made a special box, called the ark. The ark had a special seat called the mercy seat. The mercy seat was where the high priest would sprinkle the blood of a sacrificial animal to ask God for forgiveness of sins. They also made special clothes for Aaron and the other priests to wear. These clothes could only be worn in the tabernacle and would show that Aaron and the priests were set apart for a special work of God.

Moses saw that everything had been done just as the Lord had commanded. The glory of the Lord filled the tabernacle. Wherever the people traveled, the cloud of the Lord stayed with the tabernacle.

Christ Connection: God told Moses and the people to build the tabernacle so that He could dwell among them. We no longer need a tabernacle because those who trust in Jesus' life, death, and resurrection have been given the Holy Spirit so that God lives in us, not merely near us.
