

Health Wellness Questions

1. Do I have a new fever (100.4 or higher) or a sense of having a fever?
2. Have I had a fever in the last 72 hours?
3. Do I have a new cough, sore throat, or cold (that can't be attributed to another health condition)?
4. Do I have new flu-like symptoms, shortness of breath, body aches, or generally feel unwell (that can't be attributed to another health condition)?
5. Have I been in contact with someone who has or is under investigation for Coronavirus in the last 14 days?
6. Can anyone in my family answer yes to these questions?

If you can answer YES to any of these questions, please worship at home.
