

GRAND PARTNERS

A new ministry of Immanuel Bible Church
Titus 2:1-5

What is a Grand Partner?

Any members of IBC that are senior adults, or singles, couples, or families of IBC. Membership will be verified upon application.

What should I expect?

Grand Partners is a six month program. During this time period, we encourage participants to contact each other once a week and if possible, meet physically once a month. The desire is to foster relationships between generations that may not meet otherwise. We also want to ensure our senior adults are connected, especially those who live alone or have no immediate family in the area.

What do Grand Partners Do?

Get to know the individual, couple, or family assigned to you. You may find similar hobbies in common, music tastes, etc. Find out how you relate to each other, share your wisdom, and encourage your new Grand Partner to be in the Word, serve the church, and pursue growth. Be in prayer for your Grand Partner as they will be in prayer for you. We hope you can create a lasting friendship!

How can I apply?

Apply online at:

https://immanuelbible.church/registrations/adult_ed/gpartner.php. Please note that you will need a recommendation from a pastor, elder, or other ministry leader of Immanuel to participate. Background checks are required for younger participants because this program involves senior adults.
