THE DAUGHTERS OF ZION

Isaiah 3:16-4:6

The difference in conclusions between Paul and the feminist movement of today is rooted in a fundamental difference in their points of view relative to the constitution of the human race. To Paul, the human race is made up of families... To the feminist movement, the human race is made up of individuals; a woman is just another individual by the side of the man, and it can see no reason for any differences in dealing with the two.”

The Lord will expose
the vanity of feminism
to restore the beauty of

To lead, to feed, and to defend.
