

Baptism

at Immanuel Bible Church

Please consider the questions and Bible references below before attending the Immanuel Bible Church Baptism Class. Answer the questions and bring this page with you to class. Children wanting to be baptized should review these questions with the help of their parents.

1. Why do I want to be baptized?

2. Who should be baptized? Read the story of the Jailer at Philippi—Acts 16:22-34

3. The English word "baptize" comes from the Greek word *baptizo*. The Greek word means to "wash" or to "make fully wet." With this in mind, read Titus 3:3-6 and write down your observations.

What is mankind like?

What is God like?

What is the basis for salvation?

How does God "wash" us?
