

IMMANUEL

BIBLE CHURCH

Ministry Leadership & Participation Guidelines

It is the desire of Immanuel Bible Church Leadership to care for one another in real and practical ways. It is also our desire to ensure that we are following all state and local guidelines with regards to the health and safety for all who are onsite at Immanuel. The Pastors and Elders of Immanuel are constantly reviewing our policies and procedures to make sure we are following all necessary steps to properly care for the congregation at IBC.

Until further notice, the following protocols will be in place for all individuals who come onsite to the building:

HEALTH WELLNESS CHECK

All volunteers and those attending Ministry Events will be asked to do a Wellness Check prior to coming onsite at Immanuel. If the answer is **YES** to any of these 5 questions, individuals should not enter the building or participate in Ministry Events.

- Do I have a new fever (100.4° or higher) or a sense of having a fever?
- Have I had a fever in the last 72 hours?
- Do I have a new cough, sore throat, or cold (that can't be attributed to another health condition)?
- Do I have new flu-like symptoms, shortness of breath, body aches, or generally feel unwell (that can't be attributed to another health condition)?
- Have I been in contact with someone who has or is in under investigation for Coronavirus in the last 14 days?

FACE COVERINGS*

We recommend wearing face coverings (ages 10 years and older) in all situations when it's difficult to stay six feet away from others.

*Face Coverings are not required for those who in doing so would be contrary to his or her health or safety because of a medical condition.
