

## *John Neal*

John grew up in southeast DC attending Catholic school and a Baptist church. God used the example of Christlike love of a local pastor to draw John to the gospel and put his faith in Jesus Christ for salvation when he was eleven years old. After college and joining the military, God captured John's attention through a dramatic event on the highway causing him to consider his dedication to the Lord in a new and profound way. Since then, John has tried to pursue Christ as if each day mattered into eternity.

John and his wife Tracy have three beautiful daughters and have served at Immanuel since 2017. They are a part of the Family Builders ABF, where John also teaches. John serves a leader in the Men of the Bible study on Tuesday evenings and Tracy is active in our women's ministry.
