A prayer for the persecuted...

Dear Lord, I know that your son Jesus suffered mightily in the flesh. You weep for those persecuted because of their love for him. Give them strength and courage this day to stand up for your truth. Give sustenance to the loved ones of those killed or imprisoned. Strengthen those who are intimidated. Let your gospel of love shine even in the darkest night. Enable those persecuted to forgive as you also forgave those who murdered your son. Amen

Please email missions@immanuelbible.net if you would like to be part of the prayer focus for workers ministering in places experiencing overt persecution.
